

Kuk Sool Won™ of Peterborough

Dear students and parents,

It's been a great start to the year already with busy classes and great spirit!
We've got another busy year coming up, with ambition to secure our own permanent venue to run full time throughout the week.

New students

A big warm welcome to our new students: Eviee, Grace, Femi and Fay!
And welcome back to Korben who has re-joined us after taking a break.
It's great to see students coming back, even after time away.

Important information

A gentle reminder to our current students:
Your yearly insurance membership is up for renewal as was sent out via email. Please ensure that this is paid, otherwise you are not insured to train with us.
Please do this as soon as possible to avoid missing classes.

Upcoming events

Grading is coming up on the 26th of March, classes will be focused on getting you all ready for this. Try and join as many classes as you can before then, I'm sure you'll all do great!

Did you know?

Kuk Sool Won was founded in 1958 by our Grandmaster In Hyuk Suh. There are now over 1.4 million members across 27 different countries worldwide.
